Good Evening PDI Attendees!

Another valuable PDI “training” event is in the books! Many thanks to all speakers, staff, volunteers, and corporate members who made PDI 2016 a great success. We are grateful for everything you do for ASMC, not only during PDI, but year-round to further our profession. Special thanks to Ms. Donna Call and her husband Mark, who did a terrific job (as always) in coordinating presentation of the OUSD and ASMC National Awards.

Our sincere gratitude to today’s General Session speakers, General (Ret) John F. Kelly and Master Sergeant Gareth Davis, USAF for their inspirational remarks.

As a reminder, you will soon have access to the PDI Mini-courses and workshop presentations. Virtual PDI 2016 was included in this year’s registration fee and will be available in July at www.pdi2016.org.

In case you haven’t yet marked your calendars, please save the date for PDI 2017 in San Diego, where we hope to see May 31 - June 2, 2017, for another premier training event!

Please enjoy safe travels home and we look forward to seeing you next year for PDI 2017!

“PDI 2016 was a wonderful event, full of outstanding training and professional development opportunities. We launched into a fulfilling and enjoyable PDI here in Orlando.

I would appreciate hearing about your PDI experience. An attendee satisfaction survey will be emailed to you in early June. Your feedback is essential to our planning for PDI 2017 in San Diego. Thanks again to General (Ret) John Kelly and Master Sergeant Gareth Davis for your terrific presentations.”

~ Al Runnels, ASMC Executive Director
